

Manna for Ministries

delivered by a youth minister, FOR YOUTH MINISTERS

MANNA, a Ministry About Nurturing Needs Adequately, was created by Jeannette Adams, an experienced youth minister, for youth ministers. This ministry provides a means of spiritual renewal, education, and assistance with retreat and meeting planning, goal setting, and youth outreach to parishes seeking to begin or reenergize their youth ministry programs. The goal of this program is to enrich and encourage youth ministers and those who assist in their programs. MANNA is nourishment for those who seek to nourish the souls of others.

Jeannette has a Masters Degree in Social Work, served as a peer minister in high school, worked for the Steubenville South conference office, volunteered with the Governor's Program on Abstinence, and has 4 years experience as a parish youth minister. She currently serves as youth minister for St. Peter, the Martyr Parish in Grand Prairie, LA. She has a great passion for youth ministry, Truth, and the Awesome Love of Jesus Christ.
