Our Lady of Lourdes Annual Fall Collection

It is the time of year for Our Lady of Lourdes annual Fall Collection. You will soon receive a letter asking that you consider a one-time generous donation to this special collection which is deposited exclusively into our church building fund account. Your past support has enabled us to upgrade the CCD building with a new roof, new flooring, and freshly painted walls. We are now in the process of renovating the church hall which should be completed within a few months. All these improvements have and will take place without a single loan. The generous support of our parishioners has allowed us to maintain and improve everything on the church grounds. Last year we had an outstanding fall collection. We deeply appreciate your generosity in the past years and hope you will continue to support our Fall Collection this year!

(Please indicate "Fall" on the memo line of your check)

Thank You
